

WE DECLARE PEACE

When Congress fails to legislate for peace in Iraq, the people must ACT!

The Declaration of Peace is a nationwide campaign to establish by September 21, 2006 a concrete and rapid plan for peace in Iraq, including:

- a prompt timetable for withdrawal of troops and closure of bases
- a peace process for security, reconstruction, and reconciliation
- and the shift of funding for war to meeting human needs.

If this plan for peace is not created and activated by Congress by September 21, the International Day of Peace, Declaration signers across the U.S. will engage in nonviolent action in Washington, D.C. and in communities throughout the nation.

More than 350 organizations have endorsed the Declaration of Peace.
